- 2. Attended luncheon and briefing for the Service Secretaries.
- 3. Attended special USCIB Meeting.

25X1A9a L. Discussed with General Cabell, Messrs. Amory, the question of whether or not the CIA should support budget-wise TAC or service of common concern activities of other intelligence agencies. ADIC After some discussion it was agreed that so long as appropriate precautions were taken to see that we were not buying a pig-in-a-poke, this should be done. Accordingly, a paper is to be prepared to enable this policy issue to be considered by DCI. Further, it was agreed that would have additional discussions with State in an effort to persuade them to continue their external research coordination activities, if necessary by sacrificing other less essential activities.

external research coordination activities, if necessary by sacrificing other less essential activities.

5. Transmitted to the China project. I informed him that this project had been approved in the amount of \$156,000 plus, and that the Board had indicated that it would be prepared to add another \$50,000 if subjects of particular value were devel-25X1A9a oped during the course of the study.

would not cover the overhead of the subjects of particular value were devel-25X1A5a would not cover the overhead of the sidered by PSB. It appeared to me that this did not present any serious issue at this time, since provision had been made for the sidered during that the sidered by that the overall budget would have to be scaled down in amanner similar to that in which all governmental budgets were being reduced and he seemed to fully appreciate the point.
